

Dr. Lee Jussim, PhD

Editor, *Journal of Open Inquiry in Behavioral Sciences (JOIBS)*

Dear Dr. Jussim,

I wish to submit the associated manuscript for publication in *JOIBS*. In the manuscript, I report the results of a survey of U.S. adults' beliefs about the male-female performance gap in athletics.

As per your recommendation, my manuscript is not blinded. The manuscript is the only uploaded file, and all supplementary materials are available at the OSF links cited in the manuscript. Thank you.

Sincerely,

A handwritten signature in purple ink that reads "Doug Rohrer". The signature is written in a cursive, flowing style.
